SCRIPT

THEME SONG

Theme song is the 1994 version from God Wants Me to Forgive Them!?!.

COUNTERTOP INTRO

(After the theme song ends, the screen fades from black, revealing only Larry on the countertop, from a close-up of him.)

Larry: Hey, kids! I'm Larry the Cucumber. Welcome to VeggieTales! (pause) Uhhh… Bob? (silence, then calls louder [archival recording from A Very Silly Sing-Along!/Very Silly Songs!]) BO-OOOOOOBB??

Junior: (offscreen) He's not here.

(Larry looks at the viewer while Junior calls to him from the distance, then the camera cuts to a whole shot where Junior now hops into scene from the left edge of the screen.)

Larry: Oh! Hi, Junior! Well, where is he?

Junior: He left you this note, Larry.

Larry: “Dear Larry, I would like to have a turn at starring in a story for once, so, by the time you read this, I’ll be in Bumblyburg, signed, Bob. P.S. I’ll be back at the end of the show.” Why didn’t he tell me?

Junior: That’s not all. Here you go.

(Junior hands him a letter.)

Larry: Oh, right. Today’s letter comes from Josh Netherlon from Irving, Texas. He says that sometimes, he feels as if there’s no hope in the world, especially if he’s sick or in school and is homesick. Poor kid. I wonder if there's a story related to this situation.

Junior: Hm. (pauses) Oh, I got a great idea!

Larry: What?

Junior: Maybe you can show them! Just grab your suit with your super-suction ears and join in with Bob out there!

Larry: Okay! Be right back!

(Larry runs offscreen. We hear junk crash noises off-camera, then Larry hops into scene in his superhero persona: Larry-Boy.)

Larry-Boy: How do I look?

Junior: Awesome, Larry!

Larry-Boy: Thanks, Junior. (turns to viewer) Alright! (clears throat, then whistles)

(Larry-Boy stands up straight and tall. A screen drops down from behind Larry-Boy. A fanfare plays, the same one from Dave and the Giant Pickle.)

Larry-Boy: The world needs a hero. I am that hero! They call me Larry-Boy!

(As Larry-Boy shakes his super suction ears, he hops toward the viewer and leaps up into the air, shoots one of his plunger-ears and swings off the screen.)

Junior: Wait for me! I’m gonna be in the story, too! (runs after Larry-Boy, but suddenly falls off the countertop by mistake, then screams) AAAAHHHH!!!!!

(THUD!)

Junior: …Ouch. That’s gotta hurt! I’m okay.

(The screen fades to the town of Bumblyburg.)

ACT I

(In Bumblyburg, we see Bob the Tomato on the top of a building looking down very dramatic with a big cape billowing out behind him. The music in this scene will be the same music from the Larry-Boy! & the Fib from Outer Space! 1997 teaser. The story will be told in a first-person narrative from the point of view of Archibald Asparagus, who will appear as Alfred, who is Bat-Bob and Larry-Boy's butler.)

Alfred: (VO) Presenting the further adventures of everybody's favorite hero, the man who is braver than lightning, stronger than steel, faster than a speeding bullet…

(cue Bat-Bob, accompanied by the fanfare taken from the end of the Larry-Boy! & the Fib from Outer Space! teaser)

Bob: I'm Bat-Bob!

(Bob's cape string breaks, his cape goes flying off down to the street behind the building. Bob goes running after it. His cape gets lost somehow, and Bob stops running and looks around.)

Bob: (embarrassed) Little help…?

Larry: (offscreen) Did someone call for help?

(Bob, shocked, looks over to the other direction. Larry-Boy enters the scene, swinging with his plunger into view. Cue the fanfare music from Dave and the Giant Pickle again that was heard earlier.)

Larry: I! Am! That! Hero! They call me: Larry-Boy!!!!

Bob: My faithful assistant. What are you doing here?

Larry: What can I say? We gotta have each other's backs!

Alfred: (VO) But it wasn't always like this, as we'll learn soon enough…

Bob: (grunt), You don't have to remind me. That wasn't my finest moment.

Alfred: (VO) Anyways, somewhere over the teeming metropolis of Bumblyburg, we find young Laura Carrot facing an ordeal.

Laura: Oh, this is terrible! My mother says I have to lift these big heavy boxes off the steps, and onto the porch, but I'm not strong enough to lift this big sack of boxes. (tries to lift them but to no avail) See? Oh, is there any hope?! (she cries)

Alfred: But as poor Laura sobs helplessly, little does she know that overhead help is on the way.

(up in the skies)

Bob: Look, my cute little eyes see something down below, this looks like a job for Bat-Bob! (he flies down)

Laura: Look, up in the sky! It's a bird! It's a plane! It's….(Bat-Bob crash lands) It's Bat-Bob. Are you okay?

Bob: I think so, I'm just a little woozy, that's all. (shakes head and talks tough) Okay, kid, what seems to be the problem?

Laura: My mom told me to carry these heavy sacks of boxes and put them on the porch, but they're too heavy for me. Will you please help me?

Bob: Sure. I'll help you. I got strong hands.

Laura: You don't have hands.

Bob: Oh, that's right. But I'll help you anyway. (picks up a box) Here's the secret, kid. What you need is teamwork AND to carry one box at a time, do you follow?

Laura: I guess.

Bob: Now, you grab one box, and I'll grab another, okay?

Laura: All right.

Alfred: (VO) And so Bat-Bob and young Laura worked together to bring the boxes into the house. And in a flash of an instance their task is done.

Laura: We did it! We got all the boxes into the house, and it's all thanks to you Bat-Bob.

Bat-Bob: No need to thank me, all in a day's work. Besides, God wants us to work together to solve problems and not lose hope. Well, now if you'll excuse me, I must fly back to my lair now! Up, up, and away! (flies off)

Laura: Wait! Watch out for that…..(crash!) Tree limb.

Bat-Bob: I'm okay. (communicator beeps) My communicator is beeping. Bat-Bob to Bumblyburg Command Center. Come in, please? (static appears and Alfred, played by Archibald Asparagus, appears on the monitor. Alfred answers the communicator.)

Alfred: It's good to see you, Bat-Bob.

Bat-Bob: Ah, Alfred Asparagus. Now this is a real person to person call.

Alfred: Right. I need you back here right away. I have some news related to your next mission.

Bat-Bob: Um, I'm out of the car right now, but I can get to the office.

Alfred: Sounds like a plan. Alfred out. (the watch statics out)

Bat-Bob: All right Bob-Car, get ready for some fancy driving! (he drives the car out of the suburbs)

Alfred: And so, Bat-Bob drove back to my office where I was waiting. (Bat-Bob enters the door) What took you so long?

Bat-Bob: Oh, I had to go help a girl get some boxes into her house.

Alfred: Well, anyways, I called you in to meet your new partner. Master Larry.

Larry-Boy: The name's Larry-Boy. Nice to meet ya.

Bat-Bob: What? Alfred, didn't I tell you that I work alone?

Alfred: Well, yes, but you'll need a sidekick to help you out on your next mission.

Larry-Boy: Yeah, don't you wanna give it a try?

Bat-Bob: Well, I don't know.

Alfred: At least try, just this once.

(Bat-Bob thinks about this for a moment.)

Bat-Bob: Oh, all right. So, what's on the agenda for today?

Alfred: I got a report from the chief of police that Jester Pea and his bandit Scallions are robbing the bank. I suggest you two better go there and stop him!

Bat-Bob: Right on it, sir!

Larry-Boy: You got it!

(As they both exit, Larry-Boy accidentally bumps into Bat-Bob, who glares at him.)

Alfred: (to camera) And so, off they went to go catch Jester Pea. Who's Jester Pea, you ask? Well, cue up the next scene and I'll tell you. (fade to the bank) Well, Jester Pea is one of the many evil crooks here in Bumblyburg, together with the Bandit Scallions, they always try to come up with ways to break all the laws of God.

(in his escape car, Jester Pea is waiting impatiently)

Jester: What's keeping those three clods?

Scallion #3: Here we are, Jester.

Jester: We're behind schedule. Get moving! (the robbers unmask themselves and open the sack) Did you get the cash?

Scallion #1: Yeah, there's one hundred thousand bucks [$100,000] in this sack.

Jester: Whoever thought that robbing the Bumblyburg Bank would be so dastardly? Now that's something to laugh about. (laughs maniacally)

(cue music to the song "I'm Bad")

Jester: (sings) I'm the baddest!

Scallions: Bad, bad, he's Jester Pea! He's the baddest pea of all.

Scallion #1: How bad?

Jester: If you need someone who's never nice,
Then I'm the one to call
I do really mean things just for fun
I'm the baddest of them all
I'm talking real bad!

Scallions: Bad, bad, he's Jester Pea! He's the baddest pea of all.

Jester: Oh yeah!
If you want someone to play some pranks
Then I'm the guy you need

I play tricks on people as a crime
I'm so bad, I'm full of greed
I'm talking real bad!

Scallions: Bad, bad, he's Jester Pea! He's the baddest pea of all.

Jester: Oh yeah!

Scallions: Bad, bad, he's Jester Pea! Jester the Pea is the baddest!

Jester: (laughs maniacally) And I love my song too.

Bat-Bob: Halt in the name of the law!

Jester: Hey, you! Get off the road, Bat-Bob! And who's your friend?

Larry-Boy: My name is Larry-Boy! It's over, Jokester. Give yourself up.

Jester: Don't ever call me Jokester! It's Jester. So many people get my name mixed up. It's always Jokester and then Joker and back again. (as he complains, Bat-Bob manages to use a boomerang and rope to tie the Scallions up, then sneaks in the car and takes the money out) So, for the last time, my name is Jester! Now if you don't mind! I'll be off with the robbery. (does a double take) HEY! What happened to the money?! (the bandits shrug)

Bat-Bob: Stealing is a severe crime, Jester. Give up this heist or I'll call the authorities!

Jester: (groans) Go ahead, return the money this time. But I'll be back to rule the world yet again! (laughs maniacally as he drives off)

Bank Manager (Lovey): Is he gone?

Bat-Bob: Yeah, here's your money back.

Bank Manager: Thank you very much, Bat-Bob. Oh, and your friend, too!

Larry-Boy: Well, it was nothing really. Always happy to lend a hand! If I had hands… Either way, I'm glad to help!

Bat-Bob: Help? What do you MEAN, help?! All you did was distract Jester long enough for me to tie up the Bandits and get the money out of his car!

Bank Manager: And what if he didn't?

Bat-Bob: I'm sure that I would've been able to deal with this just as easy, even without the Purple Pickle Eater's "help."

Larry-Boy: …I'm a cucumber.

Bat-Bob: (rolls his eyes before noticing something.) Hey, what's that on the ground? (he picks up a piece of metal) I've got a feeling that Jester is plotting something big. We should get back to the office, we'll figure out what this could be there.

Larry-Boy: Good idea!

(As they hop away, we pan over to an alleyway. Jester's car is parked here, and Jester is eavesdropping.)

Jester: There's one thing you're right about, Indigo Tomato! I AM planning something big, the most disastrous crime in the history of Bumblyburg! (laughs maniacally)

Scallion #1: (from the back of the car) Uh, could you untie us when we get back?

Jester: Figure that out yourself, Huey! I'm busy gloating about my evil scheme! (laughs maniacally again)

(Starts driving back to the lab)

(back at the office)

Bat-Bob: Alfred, what do you know about Jester Pea?

Alfred: I'm glad you asked. Direct your attention to the screen. Name: Amadeus Jester Pea: Best known crimes: Turning the entire swimming pool into a giant pool of gelatin (acquitted), polluted the entire lake (acquitted), threw water balloons in church (acquitted), took groceries without paying (acquitted), destroying a building that was meant to be remodeled (not acquitted) Comment: Jester Pea is perhaps the most dangerous prankster in Bumblyburg and one bad pea. I think you guys better find him and bring him to justice. The Chief of Police has just reported that he has a second plan up his sleeve.

Larry-Boy: But where are we gonna find him?

Alfred: Well, Master Larry, why not you and master Bob look around the outskirts of town. Why not try there?

Bat-Bob: You got it, Alfred!

Alfred: (to camera) And so, they were off faster than you can say “Faster than a speeding bullet.” (fade to the abandoned warehouse) Meanwhile, in the outskirts of town…

Scallion #3: What are we doing back in the lab again?

Jester: It’s time to show Bumblyburg what I can really do. If that Bat-Bob and his pickle friend can get away with stopping my bank robbery, wait ‘till they see my latest creation! The Robo-Pea 5000!

Scallion #2: It looks just like a regular robot.

Jester: It’s supposed to be in the shape of a pea, not look like just any regular robot, silly! Now, keep working on it before someone suspects us.

(outside)

Alfred: (vo) So, as Jester and his cronies got to work, Larry-Boy and Bat-Bob were having a bit of slip-ups. (Larry-Boy trips thanks to Bat-Bob)

Larry-Boy: WHAT IS YOUR MALFUNCTION?!

Bat-Bob: Let’s get one thing straight, Larry, I work alone, except when I work with Alfred, which is all the time.

Larry-Boy: Oh yeah? Well, remember teamwork! You need me because I’m the only one who knows where Jester Pea is! And where he is, is that he’s over there, in that old abandoned warehouse.

Bat-Bob: The old warehouse, of course. Let’s follow them!

(back inside the warehouse)

Jester: My robot is just about done.

Scallion #3: Boss! Look!

Jester: Something’s gone wrong! Sound the alarm! I’ll hide my robot!

Scallion #1: Right boss! (alarms go off and startle Bat-Bob and Larry-Boy)

Larry-Boy: Oh dear!

Bat-Bob: Let’s get outta here! (as they run, they come to a screeching halt!)

Scallion #1: You two aren't going anywhere!

Larry-Boy: Well, what are you gonna do about it?

(cut to them being tied up)

Scallion #2: That'll teach you for tying us up earlier.

Scallion #3: Nobody follows us, not even our boss Jester Pea.

Scallion #1: We're gonna leave you here until the boss figures out what to do with you.

Scallion #2: *(archival recording from "The Story of Flibber-o-loo", from Are You My Neighbor?)* See you around, silly pickle.

Larry-Boy: *(archival recording from "The Story of Flibber-o-loo", from Are You My Neighbor?)* Um, I'm a cucumber.

Bat-Bob: (sarcastic) Well, that went well.

(cut back to the inside of the warehouse)

Jester: Hey, you! Is my powerful robot ready?

Scallion #1: Ready when you are? Uh, are you?

Jester: YES I AM! NOW GET IN!! GET IN!!

Scallion #2: Okay, okay. (Jester takes the cockpit)

Jester: Nobody can stop us now! (laughs maniacally) Robot, do your stuff!

(Jester Pea then activates the giant robot which then starts walking down the path, shaking the ground, moving its footsteps at a speed of one footstep per half-second. The giant robot heads out to the city as Jester continues to laugh.)

Alfred: (vo) Will Bat-Bob and Larry-Boy escape this literal cliffhanger? Will the bank robbers ever get caught? (pops up) Will I be able to show up on screen again?! (looks around) Oh, sorry.

(The screen fades to black, and we hear Alfred's voice.)

Alfred: To be continued, "Bat-Bob! and uh… Larry-Boy!" will resume after this short break.

SILLY SONG: "BEAR TRAP"

(The screen fades from black, revealing the "Silly Songs with Larry" title card, with Larry wearing a raccoon hat and caught in a bear trap, this time standing beside the music stand in this one, thus the Larry render from Dance of the Cucumber (from Rack, Shack & Benny) is used here; cue the music in a mix of country and bluegrass genre, with banjo and drum percussion with some boing sounds in the background. The song structure is the same as His Cheeseburger (from Madame Blueberry).)

Announcer: And now it's time for Silly Songs with Larry, the part of the show where Larry comes out and sings a silly song.

(The screen crossfades to Larry in front of a cardboard nighttime park background.)

Announcer: Tonight, Larry will be singing a camping ballad about a bear trap.

Larry: ♪On that one day I woke up from my nice warm nap♪
♪I went out in the forest, but then I heard a big loud snap.♪ (A snap is heard.)

I got myself caught in a bear trap

(Rosie Grape enters the scene.....)

Larry: ♪She said to me,...♪

Rosie: “You're stuck in a bear trap, but you might need some help getting out."

Larry: ♪She said to him…♪

Rosie: (to the moose head) "Well, what could that be all about? Your big snout looks so stout.”

Larry: …and I think that my moose may have gout.

(Rosie exits the scene, and Junior arrives on the scenery.....)

Larry: ♪That afternoon, a young boy in a yellow and red cap came to me and said,♪

Junior: "You have bad luck with that bear trap, and you might need some help getting outta there."

Larry: ♪I tried to get out, but it was no use, I was stuck here for the rest of my entire life.♪

(Junior exits the scenery, and Bob the Tomato arrives.....)

Larry: ♪I was just stuck in that bear trap right there in the sun, when my buddy Bob came and said…♪

Bob: “Being in a bear trap is no fun.” (speaks to himself, with eyes rolling) Who leaves a bear trap in the middle of nowhere like that?

(Bob exits the scene, then finally Laura Carrot arrives)

Larry: ♪Then finally, right out the space, I saw this beautiful face, and she came right up to me with a bear trap key, then unlocked it, and I was finally free at last!♪

(Laura frees Larry outta the bear trap)

Larry: Thank you!

Laura: You’re welcome!

Larry: ♪Next time I wake up from a nice long nap, I won't run into another bear trap. My sleeping bag is snug and a bug in a rug, but I'm not a.....♪♪

Bob: (clears throat, interrupts) Larry, we get the point. Can we end the song now?

Larry: (as the Silly Song title card fades in) Oh, all right, Bob.

Announcer: This has been Silly Songs with Larry. Tune in next time to hear Larry say…

Larry: Um, does anybody know who this raccoon belongs to?

(music continues to the end and fades out)

ACT II

Alfred: (VO in the black screen) And now, where we last left our heroes…

(screen fade in)

When we last left the action, Bat-Bob and Larry-Boy were in a predicament of their own. The Scallion Bandits have tied them up and placed them over the edge of a cliff.

Larry-Boy: Bob, I can’t move my arms.

Bat-Bob: Larry, you don't have any arms.

Larry-Boy: Oh.

Bat-Bob: Larry, I'm so sorry I doubted you having me as a teammate. You're a really good friend I have and I'm beginning to understand why God wants us to work as a team. I should've been more nice to you than I was before. Will you forgive me?

Larry-Boy: I forgive you, Bob. Now how are we gonna get up from this cliff?

Alfred: How will our heroes get out of this predicament? Well, faith would have to be on the two heroes' side today, For one pedestrian passing by finds them and figures out one thing.

(Pa Grape is seen wandering by and discovers the two heroes)

Pa Grape: Who leaves people hanging from a cliff? (heads over to the ropes) All right, cliffhangers, prepare to be resolved! (he grabs Bat-Bob and Larry-Boy and puts them to the ground and unties the rope so they don't fall) There we go.

Bat-Bob: We're free!

Pa: Oh, and I brought you some snacks.

Larry-Boy: Thank you. Listen, can you tell us where we can find Jester and the Scallion Bandits?

Pa: Well, the chief of police has intercepted what I think is a coded password for that giant robot, but I don't know what it means. I'm sure it's important though.

Bat-Bob: Well, what is it?

Pa: It's "Weak brown cow." (hands them some paper with the note)

Larry:Boy: Oh. That makes sense.

Pa Grape: Yes it does.

(Cut to the Bumblyburg Science Lab with Jimmy and Jerry Gourd eating Pizza when the alarm goes on)

Jimmy: Oh, my! Looks like Jester Pea and the Milk Money Bandits are about to attack Bumblyburg! (To Jerry) Jerry, alert Bat-Bob and Larry-Boy immediately!

Jerry: Right away, Jimmy! (Stuffs a slice of Pizza in his face, rushes to push the button and cut to outside the Bumblyburg science lab and the Signals come on as Larry-Boy and Bat-Bob look up)

Bat-Bob: Oh, look! The signals are on! Well, Larry-Boy, are you ready to team up and stop these nefarious bandits?

Larry-Boy: Ready whenever you are, partner. You're a good friend, sir.

Pa: Thanks, Larry-Boy and Bat-Bob. Now, if you'll excuse me, I've gotta go chase down another lead. (dashes off)

Bat-Bob and Larry-Boy: WE… ARE… THOSE… HEROES!!

(Dash off to Bumblyburg)

(fade to the park where we see various Fruits and Veggies hanging out, especially Freddy the Apple, Benny the Banana, Norman the Peach, and others. In one place of the park, Junior, Laura, Lenny, and a hatless early version of Percy Pea are playing in the playground with Rosie and Tom, [which is a reference to a page from "Time for Tom"], while Lizzy the Lime and Casey the Orange are playing cards)

Lizzy: You got any threes?

Casey: Go fish. (footsteps) Huh? What's happening?! Uh oh. Sounds like someone's getting a mega physical! (footsteps get louder and Casey looks up) Hey, what's that?

(the giant robot comes up and the crowd gasps)

Jester: (through microphone) Attention citizens of Bumblyburg! Bow before your ruler, Jester Pea!

Crowd: (gasps) NO!

Junior: We don't care what you tell us to do, Jester Pea!

Jester: Oh yeah? Well, take this!

(Jester Pea pushes a button (whisker pluck sound effect used) and the giant robot's face fires a lethal laser beam from its mouth. Some Veggie kids scream as they run away safely, a stock sound effect of kids screaming should be used in this instance.)

Jester: Come back here! (he chases after them in his robot) I will catch you!

(All the Veggies run for their lives into the distance. The giant robot starts running after them and its footsteps shake the camera to a quirky level. We then cut to the front of the Veggies running away from the giant robot that is chasing them down the road.)

Jester: (laughs maniacally) I must remember to congratulate myself later.

Junior: (yells back to the Jester Pea while running) Pick on someone your own size!

(Cut to the side of the robot running; Larry-Boy comes swinging past the robot, about to grab Junior.)

Larry-Boy: I. AM. THAT. HERO!!!!!! Junior, I've got you!

(Larry-Boy grabs Junior and saves him. We then cut close-up to the Jester Pea and the bandits while they are driving the running robot down the road. Bat-Bob suddenly flies up to them.)

Bat-Bob: And I am Bat-Bob! Nice to see you, Weak Brown Cow!

(Bat-Bob rams into the Jester Pea and the bandits.)

Jester Pea and Bandits: WOAH!!!!

(Cut to Junior and Larry-Boy)

Junior: Thank you, Larry-Boy!

Larry-Boy: No problemo!

(Larry-Boy swings off into the opposite side of a building. Cut back to the Jester Pea and the bandits on the giant robot that is still running.)

Scallion #2: I'll tell you what's up! Have you heard the one about that pickle boy?

Scallion #3: That green, slimy pickle boy with super suction ears?

Scallion #2: And then the big fat tomato says to that green, slimy–

Scallion #1: (interrupts rudely) ENOUGH!!! No time for jokes!

(cut to a still of the city, the giant robot then jogs crazily into the distance and the camera still shakes. The robot goes around the road and into the left end, up to where it vanishes offscreen past a building. Suddenly, the robot's alarms go off loud in the distance.)

Jester: (yells) What's going on!!???

Scallion #1: The robot alarm!

Jester Pea: Who turned it off?!?!?

Scallion #2: Look at the monitor! (Jester sees Bat-Bob and Larry-Boy on the screen.)

Larry-Boy: Were you calling me a pickle?! I'm a cucumber!!! Oh, and by the way, you're gonna pay for that! Let's get 'em, Bat-Bob.

Jester: Those two just don't know when to quit. I'll deal with Bumblyburg after I deal with that Batman wannabe and that plunger-eared weirdo!

(The robot then runs after Larry-Boy, but he dodges it and sneakily enters the top cockpit behind the bandits)

Jester: Where'd he go? Where'd he go?! Troops! Look for the pickle! I mean cucumber. Look for that Cucumber!

(Larry-Boy presses the self destruct button from the inner back of the robot)

Scallion #1: Oh dear. RETREAT! EVERYONE RETREAT! (he and the other scallions exit the robot)

Jester: What's going on? The robot is going out of control!

Bat-Bob: Sorry, Jester, but it's not nice to make fun of our friends.

Jester: Huh, what? Bat-Bob? Larry-Boy? I'm really getting tired of you guys meddling in my world dominations plan.

Bat-Bob: Well, we do have a tendency to show up and ruin evil villains' schemes. I just thought we'd explode your accomplishments before you go. (they both leave the robot)

Jester: Go? What do you mean by that? Go where?! (the robot explodes and Jester is catapulted out of the machine) NOOOOOOOOOOOOOOO!!!!!!! (he falls and lands into Bumblyburg Jail)

Larry-Boy: Oh, that looked painful. What does this mean, Bat-Bob?

Bat-Bob: Well, Larry-Boy, it means that Jester Pea will now be serving up his pranks and crimes in Bumblyburg Jail from now on.

(in Jester's jail cell)

Jester: I would've gotten away with my evil plan if it weren't for that pesky Bat-Bob and Larry-Boy. Why did I even put a self-destruct button on my robot?

Bat-Bob: ‘Cause this is OUR story, Jester.

Jester: BAT-BOB!!!!

Scooter: Alright, Joker Pea, you're gonna have a good wash off your face with this big water hose. (Points the hose towards the jester)

Jester Pea: Hey, don’t you point that at me! (Water splashes on him washing all the paint off his face with his hat knocked off) Brrrr! For crying out loud, I'm Jester Pea. Drat! You’ll pay for this! My revenge will be terrible! You’ll see! You’ll see!!!

Alfred: Later that day…

(The scene shifts to Phil Winklestein acting as a news reporter for Bumblyburg Channel 1 News.)

Phil: Phil Winklestein here with our top story, Bat-Bob and Larry-Boy have just saved Bumblyburg once again from a disastrous robot attack from Jester Pea. We now go live to City Hall where the chief of police is honoring them as their heroes. The ceremony is already in progress.

Scooter: For outstanding heroism in the face of total chaos, and bringing the nefarious Jester Pea to justice, I award you Bat-Bob and Larry-Boy, Bumblyburg’s highest honor, the colorful polka dotted cookies of justice! (M&M cookies)

Bat-Bob: Why, thank you, officer. It was a great mission to team up on really.

Scooter: Three cheers for Bat-Bob and Larry-Boy!

Crowd: Hip hip… hooray! Hip hip… hooray! Hip hip… hooray!

Larry-Boy: I’ve got my cookie. Has anyone got milk? (iris out, the end)

COUNTERTOP OUTRO

Larry: Ha, that was fun, Bob.

Bob: Yeah, Larry. It sure was, but I'm now tired. Oh, wait. We gotta finish the show. Hold on! We gotta get out of these costumes, we’ll be right back.

(Time Card: A few moments later)

Bob: (out of costume) Aah, that’s better. We're over here by Qwerty to talk about what we learned today.

Singers: *And so what we have learned applies to our lives today and God has a lot to say in His book.*

Bob: Here we go again.

Singers: *You see we know that God's word is for everyone and now that our song is done, we'll take a look.*

Bob: Well, anyway, in our story, Larry and I learned that working as a team gets the job done as God wants us to do, because we can't do the job alone.

Larry: That's right, Bob. Hey, let's see if Qwerty has a verse for us today.

Bob: (as Qwerty starts up) Good idea, Larry.

(Qwerty brings up a verse)

Larry: "Two are better than one, because they have a good return to their labor." - Ecclesiastes 4:9.

Bob: So, Josh, whenever you feel hopeless in school, if you're sick or homesick, you can always turn to God and he can help you as a teammate to get a problem solved. You can also talk to a best friend or your parents to work it out, too.

Larry: Keep that in mind, okay?

Bob: Well, that’s all the time we have for today. Remember, God-

Larry: Wait, Bob! The show’s not over yet!

Bob: Oh, that’s right! I’ve got a theme song!

(screen fades out)

BAT-BOB THEME SONG (music video)

Musician: A-one, a-two, a-one, two, three!

COUNTERTOP OUTRO (cont.)

(after the song, the screen fades from black back to the countertop with Bob and Larry)

Bob: Now can I finish?

Larry: Yes, go ahead.

Bob: As I was saying, God made you special and He loves you very much. Bye!

Larry: Bye!

Bob: Larry, remind me the next time we have a music video to tell me first.

Larry: Okay. And now that I'm tired, I'm gonna go to sleep.

Bob: Me too, Larry.

(The screen fades to black and the credits start)
